

What will you do with your PhD? Come to the BMCDB Career and Professional Developmental Seminar and related events (<http://bmcdb.ucdavis.edu/career-and-professional-development/index.html>) to hear about some of the career paths open to you.

What is Regulatory Affairs? The May13 Seminar will feature two BMCDB alumni who are now working in Regulatory Affairs at Genentech. *Coffee, bagels and pastries will be available. NOTE the Different day of the week and time. Please RSVP to lsrose@ucdavis.edu by May 12 if you plan to attend so we know how much to get (but come even if you forget).*

**Friday May 13, 2016
9-10 in 148 Briggs**

***"What is it like to work in Regulatory Affairs
at Genentech?"***

Amy Schroeder, PhD

Associate Program Manager Regulatory Affairs

Sarah Lockwood, PhD

Program Manager, Regulatory Affairs at Genentech

Drs. Lockwood and Schroeder earned their PhDs here at UC Davis in the BMB program and both participated in the Designated Emphasis in Biotechnology. They will talk discuss their career paths and current jobs at Genentech.

Please post and distribute. The BMCDB Graduate Group Career and Professional Development Seminar series is open to everyone regardless of grad group affiliation or level, as well to postdoctoral researchers and other lab members that may be interested.
