

What will you do with your PhD? Come to the BMCDB/IGG Career and Professional Developmental Seminar and related events (<http://bmcdb.ucdavis.edu/career-and-professional-development/index.html>) to hear about some of the career paths open to you.

Pizza will be served. *Please RSVP to Shea Feeney sefeeney@ucdavis.edu by THIS FRIDAY Oct 14 if you plan to attend so we know how much to get. Please bring your own drink.*

Monday Oct. 17 2016
12-1 in 148 Briggs

"Putting your advanced degree to work...(aka how I got here from there)"

Joanna Friesner, PhD

*Academic Coordinator: UC Davis Agriculture Sustainability Institute
National Network Coordinator: Inter-institutional Network for Food,
Agriculture and Sustainability (INFAS)*

Dr. Friesner earned her PhD at UC Davis in the Genetics Graduate Program. She will cover some of the stats on job distributions for Biology PhDs as well as her own career path supporting the scientific community.

Please post and distribute. The BMCDB/IGG Graduate Group Career and Professional Development Seminar series is open to everyone regardless of grad group affiliation or level, as well to postdoctoral researchers and other lab members that may be interested. Please RSVP for food planning purposes, but come even if you forget!
