

What will you do with your PhD? Could working in the government sector be part of your plan?

Pizza will be served. *Please RSVP to Shea Feeney sefeeney@ucdavis.edu by NOON THIS FRIDAY Dec. 9 if you plan to attend, so we know how much to get (but come anyway if you forget). Please bring your own drink.*

**Monday Dec. 12 2016
12-1 in 148 Briggs**

" Regulatory Risk Assessment: Bridging Science and Policy."

**Rima Woods, PhD
Nathalie Pham, Ph.D**

Dr. Woods and Dr. Pham are UCD alums, having obtained their degrees in the BMB and Pharmacology Toxicology Graduate programs respectively. They will discuss their work in the California Environmental Protection Agency. Both are in the Office of Environmental Health Hazard Assessment (OEHHA). Dr. Woods is in the Pesticide and Environmental Toxicology Branch while Dr. Pham is in the Air, Community and Environmental Research Branch.

Please post and distribute. The BMCDB/IGG Graduate Group Career and Professional Development Seminar series is open to everyone regardless of grad group affiliation or level, as well to postdoctoral researchers and other lab members that may be interested. Go to the BMCDB Career and Professional Developmental Seminar link for related information and past topics at <http://bmcdb.ucdavis.edu/career-and-professional-development/index.html>)
