**BMCDB GRADUATE GROUP**
**DISSERTATION COMMITTEE REPORT**

Name: _____

Date Dissertation Committee met: _____

Source of support this year:_____ Source of support next year:_____

1. Title of dissertation or description of research project:

2. Progress Summary: (Student should attach a 2-3 page Research Progress Summary)

3. Check the progress that the student has made over the past academic year:

___ Satisfactory Comments: _____

___ Concerns _____

___ Unsatisfactory _____

If you indicated that the student is making unsatisfactory progress or that you have concerns, please specify why and explain either here or in an attached memorandum the precise conditions, **including deadlines**, the student must fulfill to achieve a satisfactory report and return to good academic standing. Please note that progress reports marked unsatisfactory or concerns are submitted to Graduate Studies. However, only unsatisfactory progress reports may affect a student's ability to TA, receive work study, or be able to accept various fellowships.

**Comments regarding progress and recommendations to student from Dissertation Committee: This must be filled out by the Committee even if progress is satisfactory.** Use back if necessary.

4. Expected completion date: _____

5. Additional comments: (e.g. discussion of postdoctoral opportunities):

Dissertation Committee: (name) (signature)

Major professor: -_____ -_____
