Please print or type the names of all committee members below. Reminders:

- *In general*, QE committee members also end up being on your thesis committee. It's not a requirement, just something to remember when selecting prospective candidates.
- Your proposed QE Chair should have been at UC Davis since 2020 or prior, must be in BMCDB, and should have served on a BMCDB QE committee at least once.
- All committee members must be tenure-track Academic Senate faculty.
- You can have one non-BMCDB member, who cannot serve as Chair.
- DE students: You can have multiple committee members affiliated with the DE on your committee, but only select one "DE member" when completing this form.
- A committee member cannot have a conflict of interest, personal (i.e., partner/relation) or professional (i.e., cannot be a direct collaborator) with your PI.
- Remote participation is not allowed for Davis-based faculty attending a Sacramento QE, or vice versa.
