# Graduate Student Experiential Learning Award Application Now Open!

The UC Davis Career Center is offering an award available to current UC Davis graduate students who completed an unpaid internship in support of their career development goals during the 2024-2025 academic year. Awards are **\$500**. In-progress and remote internships qualify. Preference given to non-academic experiences and those outside of the applicant's thesis area. Experiences required for degree or designated emphasis completion are ineligible.

## This Week's Featured Job:

### [Apply ASAP: World Wildlife Fund Summer 2025 Internships](#)

WWF has launched BRIDGE, our **paid summer internship program** for undergraduate and graduate students! We are seeking those who have never been exposed to the conservation and environmental sector.

We have 29 open positions, all available on our [Careers website](#). Teams hiring span from Climate, Forests, Marketing and Communications, Information Technology, Policy and Government Affairs, and more!

The internship program runs from June 16 through August 2, for 10 weeks. Both in-person and virtual options are available.

Interns will be provided a set of networking and professional development opportunities, including connections with our senior management team.

See <https://www.worldwildlife.org/pages/bridge> for more information about the program.

We highly encourage students to apply within the next **two weeks**. Please also note we have specific topics that students should address in their cover letters – you will see those details in each of the job postings.
